

**NORTH DAKOTA
POLLED SHORTHORN
SHOW AND SALE**

Carrington, North Dakota

Tuesday, October 19, 1971

GENERAL INFORMATION

Location — This sale will be held in the Livestock Pavilion at the Foster County Fair Grounds at Carrington, North Dakota. Carrington is centrally located, has good railroad and bus connections and has paved highways leading in all directions.

Time — The Shorthorn and Polled Shorthorn show and sale will be held Tuesday, October 19th, 1971. The show will commence at 9 a.m. The sale will begin at 1 p.m.

Judge — Wendell Lovely, Wilsall, Mont.

Auctioneer — Dick Kane, Wisner, Nebraska.

Sale Manager — Walter H. Larson was retained for the specific purpose of inspecting the sale offering, preparing the sale catalog, handling the advertising and publicity, and disbursing the receipts to the consignors.

Sale Headquarters — The Chieftain Motor Lodge will be official headquarters and reservations should be made there in ample time. The annual banquet will be held at 7 p.m., October 18th, at the Chieftain. All persons interested in the Shorthorn breed are invited to attend the banquet.

Standard Guarantee of the Shorthorn Association holds on the cattle offered in the sale.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

We shall not be responsible for any accidents that may occur but we shall make every effort to provide for the safety and comfort of our guests.

PRAIRIE CATALYST 8th — This is a rugged kind of a bull, we think, by our Thieman bull. This cow family has done well for us. Prairie Butterfly left here as an old cow. She was by a bull from Tim Williams' Goldie Control, she by Reliant Control, by Spot Light. My sons and I have hung on to these females so far.

PRAIRIE VICTORIA 4th — Bred August 13 to Kelly Creek Supreme x — a heifer we didn't want to part with. The mother we purchased in dam at Henry Zirbel sale. Half brother to this heifer's dam topped sale at Carrington for Ronald Olson a few years ago. A full brother is nursing on dam now that we think is going to be a good one.

STANDARD GUARANTEE

Endorsed by The American Shorthorn Ass'n

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
